

Why do foreign nations
noisily gather?

Why do people
think and speak
without purpose?

Kings of earth set themselves up, and princes sit united
against **ADONAI** and **HIS ANOINTED**, saying:

"Break **THEIR**
bands apart,
cast away **THEIR** halter!"

The judge sitting in the heavens laughs.
MY LORD ADONAI scornfully laughs.
Speaking passionately and quickly
with burning anger, **HE** says:

"I set **MY** king
on **ZION**,
MY HOLY MOUNTAIN."

Declare and decree
that **ADONAI** says:

Son, today **I** brought you forth.
Ask, and **I** will give you the foreign nations
as inheritance, and the ends of the earth
as possession. Break them with an iron
branch; scatter and form a potter's vessel.

Kings - be wise! Take instruction - judges of the earth!
Serve **ADONAI** with fear. Rejoice with trembling!

Fasten a kiss on the **SON**, so he
does not become displeased with
you and you wander off the **WAY**
when his wrath burns a little.

Blessed are all who trust
and run for safety in **HIM**.
